

# PROFESSIONAL EXPERIENCE

## Overclock Media 2018-Present

### Senior Video Editor & Motion Graphics Director

Produce high quality engaging tech content two times a week for the **Austin Evans YouTube Channel (5 Million subscribers)**.

- Work closely with producers and advertisement companies to ensure correct formatting and presentation for finalized videos according to Ad company specifications.
- Construct two tech videos a week in an engaging and entertaining way for higher retention rate, resulting in millions of views.
- Organize raw footage, color grade, sound design, audio mix, and edit videos from start to finish.
- Work with assistant editors daily to ensure the vision from the pre-production is not lost.
- Attend weekly meeting to discuss SEO Data Analysis and work closely with the producers for topic research.

## Spectrum Sports Channel 2016-2017

### Editor/Videographer

- Analyzed game film and box scores with on-air talent to discover tendencies to breakdown their segments which I would then edit together.
- Shot practice and interviews of multiple Buffalo Bills and Syracuse University athletes.

## RIT SportsZone 2011-2016

### Executive Producer / Director of Post Production

- Oversaw all aspects of production for the monthly, half-hour magazine television show.
- Managed and oversaw all 8 SZ departments including production, post-production, and promotion.
- Produced and review segments and episodes.
- Edited segments.
- Color corrected of entire half-hour episode.
